CONDITIONS OF ADOPTION

GENERAL CONDITIONS OF ADOPTION

1. All animals adopted from the Home must be kept entirely as PETS or COMPANIONS and MUST NOT BE USED FOR BREEDING or any other purpose whatsoever.
2. If any animal is found to be unsuitable for any reason whatsoever within FOUR WEEKS OF ADOPTION it can be exchanged and a FURTHER FOUR WEEK TRIAL PERIOD WILL BE ALLOWED. Alternatively a CREDIT NOTE for a replacement animal will be issued and the CREDIT NOTE WILL BE VALID FOR A PERIOD OF 12 MONTHS.

This arrangement is permitted in the interest of the New Owners and the Animals, as we appreciate that whilst we can tell you as much as we know about the animal, it is difficult to know exactly what it is like until you actually live with the animal in your own home.

3. No guarantee whatsoever can be given as to the temperament of the animal, since all Stray and Unwanted Animals may have been through a difficult time and may require some extra care and attention in order to settle down in their new environment.
4. BITCH DOGS AND FEMALE CATS may be whelp or in kitten without showing any signs whilst they are in the Home and therefore no responsibility in this respect can be accepted by the home, but in the event of any animal giving birth to any young, the matter should be reported to us and advice will be given.
5. It is a condition of ANIMAL ADOPTION that all animals adopted from the home may be visited by a representative of the Home and if it is discovered that the Animal is not being cared for in a proper manner, advice will be given but in very exceptional circumstances the animal may be taken away.
6. Once an animal has been taken off our premises (i.e. Out of Reception) after completing an adoption pack and signing the necessary paperwork, it is the responsibility of the new owner to ensure the safety of their new pet and any members of the public they might come into contact with.

Leigh Dogs & Cats Home Ltd. will not take any responsibility for the actions of any animal once it has left our reception area.
